	<p><b>Stanley Free Church was formed at the Disruption, when the minister and many of the congregation of the quoad sacra church adhered to the Free Church and erected a church and manse. It passed successively to the United Free Church and the Church of Scotland, in the latter case as Stanley St James's, which united with Stanley Tower in 1959 as Stanley. The Church of Scotland charge was in the presbytery of Perth and the synod of Perth and Stirling.</b></p>

Stanley Free Church - Wooden box lid inscribed with numbers of  
communicants  
1831-1869  
A wooden box lid (approximately 360 x 225mm) inscribed with  
dates of communion and the number of communion tokens given  
out on each particular date. Would probably have been attached to  
a box containing the communion tokens.
